OPS Level 3 Briefing Note

Incident Number	22-17557
Update	12
Division	
Sector	
Type of Incident	Freedom Convoy
Location	Ottawa
Incident Date and Time	28/01/2022 13:29

Brief Synopsis

Approx 300 people on Parliament Hill with a further 1000 in the adjoining streets. In addition to the two earlier protest groups, two other groups of 400 and 200 marched across two bridges from Quebec earlier in the afternoon but have dissipated. Another group of 100 people are coming across to join.

Trucks continue to flood the downtown core with sporadic stoppages by individual truckers (not groups). Most have been mitigated by our members after de-escalation and negotiation.

The inner perimeter continues to be held with some challenges at various traffic points with frustrated truck drivers unable to access closer to Parliament. Members continue to respond to and attempt some emergency lane access with limited success. Actual response by emergency services through these areas has not yet been tested.

PLT members learned that some Convoy protestors wanted to set up a tent and light a sacred fire today. Follow up by PLT members learned these protestors were NOT Indigenous. As a result, they reached out to local Elders about this potential appropriation. Elders will monitor the situation and stated they will denounce the action if it occurs. PLT will continue to keep communication open with local Elders.

OPP have provided uniformed members to bolster the OPS strength at the event and are being integrated with our teams
